

# DURANGO MAJOR CHANGES

- MDS added to 5.7L engine
- EMCC added to 3.7L/4.7L engines
- Deep Molten Red Color changed to Inferno Red
- Power Liftgate is now standard on Limited and optionally available on SLT
- 17" aluminum wheels become standard
- 17" chrome clad wheels available on SLT
- Two new 18" wheels: 18" cast aluminum (std on Limited) and 18" aluminum chrome clad (opt on Ltd and SLT)
- New P265/60R18 BSW and OWL On/Off Road Tires
- Satin silver accent roof rack and embossed "Rams Head" logo in front seat backs standard on Limited
- 3 passenger 60/40 split folding 3<sup>rd</sup> row seat replaces 2 passenger 50/50 3<sup>rd</sup> row seat. This increases interior seating capacity from 7 to 8 passengers.
- Electronic Stability Program (ESP) standard on Limited and optional on SXT and SLT. Traction control is dropped.
- Remote Start optional on SLT and Limited
- Tip Start is standard on all models
- Roll sensing added to side curtain air bags
- Clean Fuel fleet option added for 3.7L and 4.7L engines
- New (2005 MY V2) SXT model added with standard body side moldings and roof rack rails, and optional 3<sup>rd</sup> row bench seat and rear HVAC. ST and "old" SXT models dropped.
